Sb1 Federal Credit Union Named Top in Member Service for Third Straight Quarter

Philadelphia, PA – January 25, 2016 – MemberView, a credit union member experience measurement system, announced that Sb1 Federal Credit Union has once again earned the highest score in Total Member Service. The Philadelphia-based credit union now holds the unique distinction as the Top Performer for the third straight quarter.

Sb1 led a group of 20 top performing credit unions across the U.S. in member service satisfaction based on direct member feedback. By utilizing these data, and going beyond traditional transaction-based analysis, Sb1 will continue to identify specific strengths and weaknesses in its service delivery.

“We are always striving to offer more to our members,” says Rob Werner, Sb1 President and CEO. “That includes a superior member experience. It’s wonderful to have achieved this high standard for a third straight quarter. With this data at our disposal, we will continue growing and providing top-notch service.”

“Sb1 members highly recommend the credit union and give glowing praise to the staff,” said Constance Anderson, founder of MemberXP. “The credit union’s top sores are a reflection of the staff’s personal efforts to provide an extraordinary member experience.”
